

14TH International Conference on Nutrition & Growth

March 18-20, 2027 | Vienna, Austria

Save the Date

nutrition-growth2027.kenes.com

From **March 18–20, 2027**, the international Nutrition & Growth community will gather in **Vienna, Austria** for three days of scientific exchange, discussion, and collaboration focused on the latest developments in paediatric nutrition and child development.

As research in this field continues to evolve, **N&G 2027** will bring together **clinicians, researchers, dietitians, and healthcare professionals** to examine new evidence, explore clinical implications, address ongoing challenges, and share practical approaches across disciplines.

Through a focused scientific program and valuable networking opportunities, participants will gain fresh insights, connect with international experts, and contribute to advancing child health worldwide.

Mark your calendar and be part of the conversation!
Join us in Vienna on March 18-20, 2027.
